Team Competition

1. Teams can be from a bike or sports shop, a particular shop, or from a group of friends off the street
2. Each Team must have its own name, i.e., if from a particular shop, each must have its own name
3. There can be any number of racers on a Team
4. Team members have to be already-registered to signing on with a Team
5. The three fastest individual times on a Team will count as the Team time and must include at least one female

Other useful info: it's legal and encouraged to draft, pace lining, etc. and other team tactics. Once you hit the single track of the Arcadia Dunes track, the last 10 miles of the course, all bets are off. It's very competitive of the course (not to mention drafting) so you'll see a lot of half of the race. The top three Teams will
